Formal Orders of the War Department
Announces This as the Last Unit to
Sail for the State—Milwaukee
Planning Grand Review.

The one hundredth and seventh supply train, which has seen wonderful service over in France under the command of Captain Asbury Vale of Kenosha and which contains some sixty Kenosha men did not return on the Louisiana on Tuesday and a new order of the War Department states that this unit of the 32nd Division has sailed from Brest aboard the battleship Virginia and it is due to arrive at Newport News on the morning of next Monday May 19th. As the transports with returning troops have been coming into ports in this country about a day ahead it is pretty probable that the word from these boys will begin to reach Kenosha about next Sunday at noon. The 107th will be on the last steamer bearing members of the 32nd Division from France home. It is probable that the men will be sent to Camp Upton to await order to move West to Camp Grant. It is not known who will be in command of the train since Captain Vale has been ordered back to Coblenz. The last roster of the Kenosha men in the 107th Supply Train showed the following:

Sergeants: Edward Wold, Frank M. Lane, Joseph Bartel, George R. Stephenson, Charles W. Soukup.

Mark 30th Year For Company M

Thirty years ago this morning, Company M, Fourth Wisconsin Infantry, marched through Kenosha to the railway station and embarked on a trip from which many never returned.

Company M was the first infantry unit to be furnished by Kenosha during the war, although a cavalry troop, later converted to an artillery battery under Capt. John S. Coney, had left previously. The company was recruited personally by its company commander, Captain Ed Dayton, after other recruiters had given up the attempt as impossible.

The company trained at Camp Douglas, Wisconsin, Camp MacArthur, Texas, and Camp Merritt, New Jersey, before beginning its eighteen months of combat service at the front in France. In addition to Capt. Dayton, it was staffed by Lieutenants Asbury H. Vale and Francis A. Singer.

Part of the company sailed to Europe on the liner Tuscania which was torpedoed and sunk en route. Cpl. Arthur Junker was lost in this action, one of Kenosha's first casualties.

The final muster of the men who made up the Kenosha unit prior to its departure was released today by Capt. Dayton and is reprinted here as a tribute to their service.
