Fear for Baker Boy

Baker, Or., Feb. 8.—It is believed that Carl Bennett, son of Mr. and Mrs. M. F. Bennett of Baker, was on the torpedoed transport Tuscania, because his parents and wife received word from him the day he sailed. The date indicates now that he might have been on that ship. He was a member of the Twentieth engineers. The young man was in the lumber business here with his father prior to enlisting.

New Company Formed.

Articles of incorporation were filed yesterday in County Clerk Combs' office incorporating the Oregon Sand Lime Brick company. The incorporators are: M. F. Bennett, E. E. Angell, Louis Sommer and William Bennett. The capital stock is \$25,000, and the principal place of business is named as Baker City.

The aims and objects of this company were fully explained in the columns of The Journal a few days ago upon the return of Mr. Angell from the east. Mr. Angell has discovered and perfected a process for manufacturing out of peculiar material found in abundance in Baker county a special brick for ornamental purposes and heavy foundations, which has the appearance of granite and which have peculiar value to architects and builders. These brick weigh $5\frac{1}{2}$ pounds each and will fill a long felt want in future building operations in this community. Mr. Angell is now in Portland figuring with contractors there and he intimated some time ago that he might erect a plant in that city, inducements having been offered him to that end.

Commission Plan for Baker.

Baker City, Ore.—That Baker City will adopt the commission form of government is the general belief here. The Citizens' league has appointed W. G. Drowley, F. P. Bodinson, N. C. Haskell, C. L. Palmer and Carl Adler a committee to act in conjunction with a committee named by Mayor Pollman to investigate the new plan of city administration and report to the people.

Councilmen A. Hansen, W. H. Shoemaker and M. F. Bennett will represent the administration in looking into the new plan. Mayor Pollman is strongly in favor of the commission form of government, and if his efforts are successful the question will be submitted to the people at a special election this summer.

Sends Daughter to Grandmother; Dies

Salem, Or., June 22.—Leaving a note to Mrs. Fanny J. Bennett of Baker, telling her to keep secret the manner of her death from her daughter, Esperance, age 12 years, Mrs. Gladys Bennett, housekeeper at the Electric hotel, last evening swallowed six ounces of carbolic acid and died soon after. According to the police, she had twice before attempted to commit suicide with poison, the second effort being last Sunday. Her daughter is with her grandmother.

"I have sent my little girl to you forever," Mrs. Bennett wrote to the little girl's grandmother. "I know you will love and care for her. This is the only way."

"Oregon Daily Journal" (Portland OR) Tuesday 22 Jun 1915 p 3

CARBOLIC ACID ENDS HER LIFE

Mrs. Gladys Bennett, Housekeeper of Electric Hotel, Salem, Takes Six Ounces and Expires Shortly Before Six Yesterday Evening.

Six ounces of carbolic acid swallowed with suicidal intent, ended the life of Mrs. Gladys Bennett, housekeeper at the Electric hotel, 479 State street, shortly before 6 p. m. yesterday. She was 28 years old. A husband, living at Baker, Oregon, and a daughter, Esperance, aged 12, who is with her grandmother, Mrs. Fanny J. Bennett at Baker, survive. Twice before her final and successful attempt, Mrs. Bennett tried to commit suicide, according to acquaintances. The first attempt, Chief of Police Welsh said, was made a few years ago and last Sunday she made a second effort to take carbolic acid and friends thwarted her.

Wants Relatives Care for Child.

Pleading that her mother-in-law take good care of her only daughter, Esperance, and conceal from her how her mother died, Mrs. Bennett wrote a letter to Mrs. Fanny J. Bennett. The letter was found in the woman's room lying on the dresser and was dated last Friday, indicating that the suicide had been determined upon for some time.

Letter Written to Relative.

"I have sent my little girl to you forever," the letter reads. "I know you will love her and care for her. Please keep it a secret from her how her mamma died. Tell her I was ill. This is the only way. Good-bye, Gladys."

Friends Notify Police.

When friends of Mrs. Bennett missed her yesterday afternoon, and were unable to reach her by telephone, they notified the police and an officer went to her room and forced the door. He found her lying on the bed in an unconscious condition. The woman expired just after he arrived. Beside her on the bed, a six ounce bottle which had contained carbolic acid, testified to the cause of death. The bottle bore the label of the Red Cross pharmacy.
