Smallpox Death in Denison.
Miss Lula Baker, night operator at the telephone office, died Tuesday night of malignant smallpox. The deceased was about 20 years of age. She resided with her parents at No. 720 South Austin avenue. The question occurs in connection with this young lady, is vaccination a preventive of smallpox? About one year ago Miss Baker was successfully vaccinated. Two or three months ago she was a second time vaccinated. This is a case precisely the same as that of Sidney Pope, who was carried off with malignant smallpox.—Denison Gazetteer.
