ALL NAMES NOT IN.

Many Tuscania Victims Yet to Be Reported.

WASHINGTON, Feb. 10.—Eighteen hundred and thirty-two names of American soldiers rescued from the torpedoed liner Tuscania had been reported tonight to the War Department, leaving 345 of the soldiers on board unaccounted for. No official report has reached the department to change the estimate that all except 113 of the men were saved, but the names have been coming in very slowly over the cables and there is no assurance as to when the list will be completed.
